#### Description of the room:

As I will be spending a semester abroad, I am looking for a subtenant for my room in a lovely and friendly shared apartment in Darmstadt from September 1st, 2026, for a period of six months. The room is 15 m<sup>2</sup>, fully furnished, very bright thanks to its floor-to-

ceiling windows, and offers a beautiful view of the greenery outside. The apartment features a spacious open-plan kitchen and living area, two bathrooms, an additional toilet, and a large shared balcony that is perfect for relaxing. The location is excellent: situated right next to the Akaziengarten park, with supermarkets, a pharmacy, and public transport just a short walk away. Darmstadt University of Applied Sciences (h\_da) can be reached on foot in about 10 minutes, while the city center is around 15 minutes away by bus. You would be living with three friendly and easygoing flatmates who enjoy a relaxed and welcoming atmosphere. Whether it's chatting while cooking, spending time on the balcony, or playing a round of cards together, everyone is happy to socialize, but there is never any pressure.
