

Board:

Group with an established composition made of members' elected people at a given position, which takes decisions at EUT+ level

Comittee:

Group with an established composition, made of members' academic staff specialised in a given field, whose role is to give advice and establish recommendations or reports to boards (see above) in view to harmonise, coordinate and Europeanise the members and share best practices

Office:

Group with an established composition, made of members' academic staff specialised in a given field, whose role is to give advice and establish recommendations or reports to boards (see above) in view to harmonise, coordinate and Europeanise the members and share best practices

Team:

Generic group specialised in a given field whose composition is not necessarily established, which may or may not evolve towards a more formalised body.
