## My studies

I chose to study at h\_da because ...

The most important things I picked up during my studies were/was:

My favourite part-time job was:

We preferred partying ...

The topic of my thesis was:

Apart from in a professional sense, the most important things I learnt were:

This study course sounds interesting today:

## Everyday life

As soon as I get up ...

I get to my place of work ...

The three apps I use the most are ...

In my spare time ...

Once I've knocked off work, I ...

## Open-minded. Honest. Genuine.

As a child my dream job was:

My greatest strength/the aptitude  
I treasure most:

I wish I was talented at this:

... instead of which I'm saddled with  
this quirk:

My character in three words:

I can get agitated by ...

I burst out laughing at ...

I'm at my most content when ...

If I could take a year's  
sabbatical, I'd ...

The ideal professional circumstances  
must include ...

My favourite motto or slogan/quote:

My advice to fresh, new students:
