

Media, Technology and Society Master of Science					
Admission requirements:*	1 st Semester*	1st/2nd Semester*	2nd/3rd Semester*	3rd/4th Semester*	Perspectives
The standard period of study is three semester for students with at least 210 CP and four semesters for students with 180 CP. The threesemester option can only be started in the summer semester. The four-semester variant begins in Winter and includes an additional internship semester in the first semester (worth 30 CP). Alternatively, the four semester variant can be started in Summer, in this case, the internship will be in the third semester.	Internship (only in four-semester variant), 30 CP	Laboratory I (Conception), 10 CP	Laboratory II (Research), 10 CP	Master's Thesis & Colloquium, 30 CP	<p>The Master's degree program MTS opens up a wide range of career opportunities for graduates in the fields of strategy, editing and consulting or at the interface between technology and society:</p> <ul style="list-style-type: none"> - Media and communication: e.g. in publishing houses and radio stations, in communication departments and agencies - Technology: in companies that produce and operate digital media and applications, but also in the field of science and knowledge - Society: in NGOs, foundations and other charitable institutions as well as in areas such as organizational development.
		Technology, 7,5 CP	Sustainable Society, 7,5 CP		
		Media & Communications, 2,5 CP	Media & Communications, 2,5 CP		
		Advanced Research Designs, 5 CP	Elective B1/B2: Methods and Processes, 5 CP		
		Elective A1/A2: Topics, 5 CP	Elective C1: SUK Topics, 2,5 CP		
			Elective C2: SUK Topics, 2,5 CP		

The sizes of the modules correspond to an average study and learn effort. For successfully completed modules, credit points are awarded – as a general rule 60 CP per year.

Farblende: ■ Electives ■ Final thesis ■ Industrial placement ■ Compulsory modules
