

Step 3 - Yay!

New role unlocked!

You can now use myh-da in the student role:

- From now on only with your user ID and your own password to log in. This also applies to most student applications
- Have fun!

Step 2 Activation mask

h-da.de/en/activate

- Enter your user ID or student number
- Enter your master password
- Set your own new password (please make it strong!)

Step 1 Prepare everything:

- User ID or matriculation number: Check your emails!
- Your master password: This will be displayed once enrolment has been confirmed and you are still logged into the application role on myh-da

myh-da

Follow these steps to use the university portal as a student.

Welcome to h_da!
